Subject: It is as Allah has pleased, it is as Allah has pleased

"Fight then in Allah's way; this is not imposed on you except in relation to yourself, and rouse the believers to ardor maybe Allah will restrain the fighting of those who disbelieve and Allah is strongest in prowess and strongest to give an exemplary punishment." Allah Almighty has spoken the truth.

Allah is the greatest, Allah is the greatest.

My dear brother Aba al-Ayyubi,

It is as Allah has pleased, it is as Allah has pleased.

A quick message I send to you O the hero. After my return from the trip that I told you about it I read your two messages and I received good news from the brother Hussein about your preparations and your thoughts for the operation. Indeed all the leaders who heard about you in this trip of mine (of course not specifying your name and the name of the city for the sake of the security and the safety) applauded and prayed for you and for us for the success. And as you previously said that you started by placing the smile on the faces of the Mujahidin.

My dear, already your analysis of what you will do after the operation particularly appealed to me. Your analysis and your decision appear correct. Thus the remaining in the current country seems to be the best of the solutions. And from Allah Almighty the safety and the success. How proud we are of a young man like you who displays signs of the leadership in the operations and performs the necessary researches and selects the suitable targets. So based on that, that is why *[sic]*, I ask you to tell me about your thoughts for the next battle. Please describe to me the battle in detail so that I have the opportunity to study it and approve of it without delay.

As for the matter of the pictures that you said you sent them to me twice even though I did not receive them, this worried me somewhat. And I started doubting in the permission of "Hotmail" in placing the attachments in the temporary folder - "the draft folder." I already discovered as I expected that "Hotmail" removes the attachments when using the temporary folder - "the draft folder". That is why I did not receive those pictures. Therefore O my dear, you can send them to me from your personal account. Do not write any message or words for the sake of the security and the safety. Send the attachments only.

And until the meeting in the battlefield O the Salah al-Din al-Ayyubi.

Your brother: Rafiq
